Em Am (add6)  
Your voice is but a whisper  
D G  
your voice is pure subtlety,  
E7 Am  
your voice slides down so gently,  
Dm  
softly caressing  
Dsus2  
the useless void,  
Asus2/E  
between you and me.

Em Am (add6)  
Your fingers are butterflies,  
D G  
your fingers falling like raindrops,  
E7 Am  
your fingers tapping on woods,  
Dm  
touching my ears,  
Dsus2  
moving light winds,  
Asus2/E  
most tenderly.

Em Am (add6)  
My nights get long and lonely,  
D G  
my nights sleepless and sad.  
E7 Am  
My nights are yours to show me,  
Dm  
quiet and slowly,  
Dsus2  
all of your secrets,  
Asus2/E  
bring me some peace.
